NO CIRCUS, either in Europe or America has so many First Class Artists as Stone & Murray's!

The Announced Exhibitions will be given upon a scale of Originality and Splendor never before witnessed in this country.

The following array of Artists will convey to the public an idea of the immense resources of STONE & MURRAY'S Circus to delight and amaze:

Mlle. Emilie Henrietta Cooke,  
The Premier Equestrienne of the world!  
The most gifted and daring LADY RIDE-  
RER ever seen in any age or country,  
from the principal Amphitheatres of Eu-  
rope, and the

GREAT JOHN HENRY COOKE!  
The acknowledged Champion Rider of  
the universe, (late of Cooke's Royal Circus  
of European fame) whose extraordinary  
talents command the largest salary ever  
paid to any Artist engaged in the vocation  
of amusing the public.

LE JEUNE BURTE,  
The Champion Bare-back Hurdle Rider.  
Mlle. JEANETTE ELLISER,  
The graceful and dashing Tight Rope Dancer.  
MURRAY and HUTCHINSON,  
The Perfect Acrobats. The novel Feats  
and athletic exercises of these skillful per-  
formers have won for them a world-wide fame  
in every quarter of the globe.

THE SNOW BROTHERS,  
Benjamin, William and Alfred, the un-  
equalled Posturers and Equilibrists.

MR. DEN STONE,  
The popular Clown and Humourist, who has  
the happy faculty of throwing in a laugh  
with the ludicrous, without approaching  
coarseness or vulgarity.

MR. CHARLES BLISS,  
And his wonderful Gun peer  
MR. ROBERT JOHNSON,  
The two best Tumblers in the world.

THE TALLEEN BROTHERS,  
Paul and Jerome, the Sensational Mid-Air  
Gymnasts, from the Hippodrome, Pa. is.

MISS EMILY COOKE,  
The Superb English Manège Equestrienne.

SIGNOR COLUMBUS,  
The Amazing Italian Contortionist.  
MASTER GEORGE COOKE,  
The Artistic Protean Equestrian.

MR. WILLIAM FRANKLIN,  
The Champion Somersault Rider.  
MR. GEORGE MURRAY,  
The Grotesque Comedian.

MR. BURT LEE,  
The Champion Leaper and Vaultor.  
HARRY AND REEVES,  
The Comic Pantomimists.

ULRIG DANZEPF,  
The Russian Athlete.  
MR. H. LOCKWOOD,  
The Intrepid Pancaatist.

HEER DREKEL,  
The Modern Hercules.  
LUDORFF and RENFEZ,  
The Electrifying Fecundulists.

The above Artists are aided by a large force  
of Auxiliary Talent, super-added to the in-  
cumbent's Acting Dogs, Murray's Trained Horses,  
Dea Stone's COMIC MULES,

And the KLU-KLUX PANTAMORPHS.

STONE & MURRAY advertise only such  
attractions as are actually in their possession,  
and they wish it understood that they will  
succeed by deserving it.

The New Water proof Pavilion contains  
seats for 2,700 people. No Standing Room.  
Seats for all patrons. One-half of the Pavilion  
Seats will be reserved for Ladies and  
children and Gentlemen according to them.  
An efficient Police will be constantly present  
to preserve order in and near the Pavilion.  
Attentive Ushers will provide patrons with  
seats. No smoking allowed in the Pavilion.  
Particular attention is called to the  
fact that Stone & Murray's Circus travels ex-  
clusively by railroad, on special trains, con-  
sequently there will be no parade of empty  
wheeled and jaded animals. The attractions of  
this Circus are inside the Pavilion, and not on  
the streets, therefore, with the exception of  
the BANNER CHARIOT, drawn by Sixteen  
"Thorough-bred Horses," no attempt will be  
made to excite patronage by the obsolete use  
of a "circus" or "Jugglers Free Pageant."

# THE HINKLEY

## FAMILY

### KNITTING MACHINE!

THE introduction of this great labor saving  
instrument, we are sure, needs no excuse.  
The Sewing Machine is slowly but surely be-  
coming as necessary to the family circle as any  
other earthly possession, and the time will  
come when the head of a family who does not  
furnish when able, that eye pointed needle,  
will be sent to the Lunatic Asylum. Who  
would doubt that his wife or daughter  
should stitch, stitch, all the live long day,  
when there is an instrument that does the  
same work in an hour? In eight hours a week  
seven saved! What to do with them? My  
people will get lazy, says one. When people  
have nothing to do they go at something  
wrong, says another. But that a fact? We do  
not believe that a well-directed mind will de-  
generate under ordinary influences. How  
one of the hours upon the garden and 'twill  
improve the health if not the complexion,  
save one for attention to chickens, ducks, tur-  
keys, &c.; add a pet pig to that lot; exhibit  
them at the next Fair; let one be spent upon  
the animal that furnishes you its supply of  
milk and butter; include a few sheep, they  
will repay your kindness with great worth of  
feeling. But that is accompanied by shadow-  
disagreeable necessity? knit, knit, knit!  
Sew up your eye, and count the stitches.  
Count the rows! The baby cries, and you  
forget: count again. Ah, no, if I was only  
through this knitting how happy would be  
Goss and soon until the knitting is over.  
"Remember," and every piece of bright wire  
keeps up the festive state until the darning  
epidemic comes on and if you do not darn then  
you must be good. How to prevent all this?  
We will tell you in a few words. BUY A  
HINKLEY FAMILY KNITTER. Give it an  
hour. Twill knit everything that ever has  
been knit, and when you get acquainted it  
will not ask many more. See the machine and  
you will see that it can perform its promise.  
Devote the remaining hour to moral and men-  
tal instruction. Tear out the "darn" and  
"a piece" from the center, and if satisfaction  
does not reign in the bosom of your family  
sit, on the sofa of their feet, "twill never  
darn" again. Call and see the machine in op-  
eration on Sale Day in December at Abbeville  
Court House.

Agent.
